Sir,

Sub: Recruitment to the posts of Assistant Engineers (Civil) in the Andhra Pradesh Engineering Service - Notification No. 367/318 - Objections - Regarding

I am a candidate who has applied for the post of Assistant Engineer (Civil) in response to the above notification. I have gone through the notification and find that the qualifications prescribed for the post are not adequate to handle the duties and responsibilities of the post. The duties of Assistant Engineers are very important and require a sound knowledge of engineering principles and practical experience. The minimum qualification should be a degree in Civil Engineering from a recognized university. Moreover, the age limit should be relaxed for candidates who have practical experience in the field.

I request you to consider my objections and take necessary action to revise the qualifications and age limit for the post of Assistant Engineer (Civil).

Yours faithfully,

2. It is reported that Venkataramanabhatta did not receive any stipend order before, and that he was receiving his allowance at the Treasury on the production of his Title Deed.

3. The explanation of the Amildar is called for for not drawing the undisbursed amount and crediting it to Muzrai Surplus Funds at the end of the year as directed in the late Deputy Accountant General's Circular No.417 dated 30th June 1866 and for the payment of the cash allowance without the stipend order, as pointed out in Government Proceedings No. 1028-9 dated 10th February 1898.

Sir,

With reference to your docket No 1734 / Muz 100-07 dated 30th January 1912 returning the records relating to the arrears of Muzrai cash allowance due to Turvekere Venkataramana Bhatta and requesting to indicate the source from which the amount of Rs 102 2-0 claimed in the bill may be met, I have the honour to state that the amount charged in the bill, the arrears of nearly 29 years , not being drawn from time to time and paid to the party , has accrued as savings and merged in the general surplus of the State . The charge has therefore to be met apparently from the General Revenues out of the grants made to the Muzrai Department .

2. The bill submitted with this office letter No 207 dated 16th November 1911 related to the arrears due from November 1882 to the end of June 1911 Another bill for Rs 2-15-6 being the arrears due from July 1911 to the end of April 1912 is now submitted herewith . I request that the two bills amounting to Rs 105-1-6 (Rs 102-2-0 + Rs 2-15-6) may kindly be sanctioned and forwarded to the Comptroller for favour of audit and return .

3. The file of vernacular correspondence on the subject

returned with his docket quoted above is resubmitted herewith for reference and kind return.
